WE'RE PROUD TO SUPPORT THE BLOOMINGDALE PARK DISTRICT

What do we love the most about Bloomingdale? The people we share it with! That's why we support the families and kids here, the local businesses, and the nonprofit organizations, too. Instead of just providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn't just home to us; it's home to all of us. And, as a true community bank, we know that when we all do our part, we can help make this community better for everyone.

Summer 2024

I am delighted to extend my warmest greetings to you as we embark on a very exciting year filled with milestones and community celebrations at the Bloomingdale Park District. I am very proud to share with you the remarkable achievements within our Park District that contribute to the vibrant and healthy community we all cherish.

Celebrating The Bloomingdale Park District's 60th Anniversary: A Legacy of Recreation and Community

This year signifies a remarkable milestone in the history of our Park District as we joyously commemorate our 60th anniversary. Since our earliest days in 1964, the Park District is committed to enhancing the quality of life for each and every resident, offering hundreds of recreational programs yearly, and maintaining beautiful parks as vital spaces for relaxation, sports and family gatherings.

To kick off our anniversary, join us for a ribbon-cutting ceremony at the newly enhanced Stratford Park on Saturday, May 4 from 11AM-1PM. This is a joint project with the Bloomingdale School District #93 in addition to the project partially funded by a grant the Park District received from the Department of Natural Resources' FY 2022 Open Space Lands Acquisition and Development (OSLAD) grant program. Everyone at the Park District hopes to see our community and guests enjoying this wonderful park and its wide range of amenities to recreate!

Park Foundation's 30th Anniversary: Supporting Dreams, Building Futures

Founded three decades ago in 1994, the Bloomingdale Park Foundation has played a pivotal role in making our programs accessible financially to those needing assistance in the community. As we commemorate the Foundation's 30th anniversary, we reflect on the countless scholarships awarded, enabling individuals of all ages to participate in enriching activities, making memories, and helping to improve the quality of life for those participating in recreation. Moreover, the Foundation has been a crucial partner in supporting operational expenses, ensuring the sustainability of our programs and facilities. The commitment of our foundation members has built a legacy of inclusivity and opportunity, making recreation a reality for every resident.

Oasis Water Park's 20th Season of Aquatic Excellence

Since 2005, the Oasis Water Park has been a beacon of summer fun. As we enter our 20th season, we reflect on the numerous safety awards citing the operational excellence of the water park and its management. We celebrate the joy, laughter, and countless memories created at the water park. The Oasis has become a cherished destination for families, friends, and neighbors to come together and enjoy the refreshing amenities it offers and relief from the heat. We are proud to continue providing a safe and enjoyable aquatic experience for all ages, making a positive impact on the health and happiness of our community.

The essence of these milestones is our unwavering commitment to serving you, the residents of Bloomingdale. Our Park District remains dedicated to offering diverse and engaging programs, maintaining beautiful open spaces, and fostering a sense of community that strengthens the bonds among us. Over the course of 60 years, the Park District's commitment to excellence is also evident in the local, state and national recognition and awards we have received.

As we reflect on the past and celebrate these milestones, let us also look forward to a future filled with even more opportunities for recreation, growth, and togetherness.

As we begin to celebrate the past, the Park District is also looking to the future with the beginning of a long-range planning process to complete a Comprehensive Master Plan. We will involve our residents for input between now and the end of the year.

See you soon in our parks!

Stratford Park Ribbon Cutting & 60th Anniversary Kickoff

**"May the Fourth Be With You:
A Galactic 60th Anniversary Celebration!"**

**Free & All
Welcome**

**Saturday, May 4, 11AM-1PM
Stratford Park | 241 Butterfield Drive**

Adopt-A-Park Sponsor:

Join us in a galaxy not so far, far away right in our own neighborhood of Stratford Park as we embark on a cosmic journey to celebrate a truly iconic moment in time to celebrate Stratford Park with a Ribbon Cutting program and kickoff to the Bloomington Park District's 60th Anniversary. The festivities begin at 11AM with a ribbon cutting and program followed immediately by activities for all highlighting the amenities in the newly improved park. Help us as we highlight the recent improvements to the park including a brand-new playground, a new outdoor classroom and shelter, a challenge course, trail loop, ½ court basketball and fitness stations around the path. Other improvements are native plantings, interpretive sign, bags court and updated soccer field drainage.

The Ribbon Cutting begins promptly at 11AM followed by these activities and more:

- Run The Bases with Mascot Parker
- Giveaways
- Basketball Hot Shots
- Community Canvas Project
- Playground Challenge Course
- Galactic Path Walk
- Refreshments while supplies last
- Bags Fun
- Stratford Middle School Student Participation

Leslie Park Improvements Continue

Improvements to Leslie Park began with the removal of the playground equipment by Kids Around The World, a organization dedicated to creating environments where kids can encounter the opportunity of play through reusable playground equipment. Leslie Park is nestled in a Bloomington neighborhood, providing the surrounding neighborhood with precious green space to single family homes occupied by a mixture of various age groups.

The grant funded project will include:

- A new playground divided into two separate areas specific to the 2-5 and 5-12 age groups, both featuring modern surfacing.
- Bag game, frisbee golf, and climbing features.
- Shaded outdoor gazebo.
- Decorative safety fencing between the play area and the street.
- An accessible fishing station.
- Path improvements with exercise stations.
- Native vegetation with interpretive signs for outdoor learning opportunities.

The Bloomington Park District will receive \$300,000 from the Department of Natural Resources' FY 2023 Open Space Lands Acquisition and Development (OSLAD) grant program. The grant monies will enhance open space opportunities at the Park District's Leslie Park. The park improvements began in early February with safety fencing being installed and the removal of the old playground. This project coincides with improvements the Village of Bloomington is making around the pond area. Any questions about the pond renovations should be directed to the Village of Bloomington.

These proposed improvements are the outcome of the Bloomington Park District's Strategic Plan, ADA Transition Plan, their most recent Community Survey, and public input received during recent neighborhood meetings. Planning for these improvements has occurred in cooperation with residents and the Village of Bloomington. The Village intends to utilize stormwater grant funds to enhance the property's lake with fishing piers/stations, native vegetation, and improved stormwater retention.

The Bloomington Park District project was one of 118 local outdoor recreation projects, representing \$59 million in funding assistance, approved by the Department of Natural Resources for FY 2023 OSLAD grant funding.

Spotlight on Decades of Staff Dedication

In the heart of our 60th-anniversary celebrations, we take a moment to illuminate the invaluable contributions of our long-serving staff, the true pillars of the Bloomingdale Park District. Their dedication and hard work have not only shaped the landscape of our community but have also created a lasting impact on the lives they've touched.

Georgette West: A Guardian of Generations

Georgette West embarked on her journey with the Park District in 1984, stepping into the role of a preschool aide in the Recreation Department. Fast forward, and many of her former students are now parents with flourishing careers—a testament to the lasting

impact of her guidance. Georgette cherishes running into them or their parents, relishing the chance to catch up on the vibrant happenings in their lives. Today, you can find Georgette extending warm greetings to residents at the Westfield Gym, a familiar face that has become synonymous with community spirit.

Jo Peterson: A Gymnastics Expert with a Heart of Gold

Fondly known as “JoJo” to her many colleagues and friends, but better known as “Miss Jo” to the thousands of gymnasts in the area, Jo Peterson began her journey with the Park District as a preschool teacher in 1980. Transitioning to the gymnastics program, JoJo's res-

sponsibilities multiplied over the years—from organizing Pee Wee Basketball to Summer Camps, Dance, and unforgettable Special Events. She witnessed significant milestones, including the gymnasium addition in 1981, the 1987 flood, and the Oasis Water Park's transformation in 2005. As a tribute to her unwavering commitment, the gymnastics studio was named in her honor upon her retirement in 2022. Yet, JoJo's story continues as she remains a steadfast presence, guiding the next generation of gymnasts with her wealth of experience.

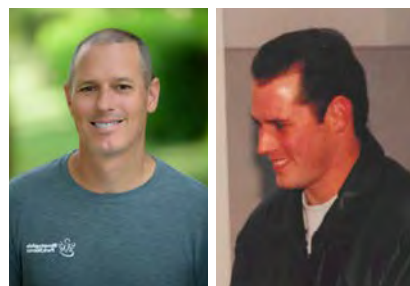

Mike Orlik: Keeping Our Parks Beautiful

In the Parks Department, Mike Orlik started his tenure with the BPD in 1990. Besides his diligent work in our parks, in Mike's early years he performed magic shows with filled to capacity crowds making him very proud. He delighted children and parents with his performances. One vivid memory etched in his mind is the spirited setup of the Haunted House, bringing the Halloween season to the BPD. Today, you can find Mike in our parks still sharing the same passion for making our facilities and park resources the best for Bloomingdale residents.

Mike Ratajczak: Three Decades of Park District Chronicles

Mike Ratajczak's journey with the Park District began with a twist of fate—initially passed over after two interviews, he eventually secured a parks position after he was called due to the departure of a new hire. Now approaching his 33rd year, Mike has been a witness to the transformative changes at the BPD. Old Town and Erie Park, the Oasis facility, the Homola picnic shelter, and the Museum—all stand as testaments to the evolving landscape he's been part of. Among the challenges, Mike cherishes moments like being the first couple married at Old Town Park, reminding us that even in the most demanding days such as our two floods in the basement of the Johnston Recreation, there's room for cherished memories.

As we celebrate six remarkable decades, these tales of dedication form the commitment to excellence at the Bloomingdale Park District—a vibrant mosaic of stories that continue to enrich our community with every passing year.

Registration Hint – Register Early!

To ensure your class or program runs, please register early! Planning, staffing and running a class all take preparation time, which is why many programs have registration deadlines. We need to know in advance how many people to buy supplies for, or how many spaces to reserve, etc. When in doubt, always register as you could be the one that makes the class run!

Registration Hint – Register Early!

To ensure your class or program runs, please register early! Planning, staffing and running a class all take preparation time, which is why many programs have registration deadlines. We need to know in advance how many people to buy supplies for, or how many spaces to reserve, etc. When in doubt, always register as you could be the one that makes the class run!

Competitive Gymnastics & Tumbling Teams

The Beamers Teams are entering their 44th year of competing in the Illinois Park District Gymnastics Conference (IPDGC). Competing teams include Tumbling Team, Training Team, and Optionals. Competitive teams require a year-round commitment. For more information or to schedule a skills evaluation, please contact Derek at (630) 529-3650 or derek@bloomingdaleparks.org.

Please Note: With your child's best interest in mind, parents are asked not to attend their child's class unless invited by the instructor. We have found the quality of instruction has often been affected by parent and/or sibling distractions, interruptions and various other concerns. It is of equal importance that children have quality leisure time with their peers. Our instructors welcome the opportunity to discuss concerns with parents before or after class, time permitting. Thank you again for your cooperation.

Registration Hint – Register Early!

To ensure your class or program runs, please register early! Planning, staffing and running a class all take preparation time, which is why many programs have registration deadlines. Pickleball

Technique and strategy are far more important than raw power, and that is why it is one of the leading recreational activities among adults 50+.

Blood Circulation Exercises

Poor circulation is very often a silent killer as its symptoms may easily be overlooked. Any congestion or blockage in the perfectly tuned roadmap of veins and arteries can deprive the heart, lungs, brain, extremities, and organs of the precious oxygen rich blood. Healthy circulation is essential to maintaining a healthy body. Using a combination of self-massage and simple exercises, participants seek to improve circulation in hands, feet, face, and body. Healthy circulation helps promote cell growth and organ function, and helps you look and feel healthy. Your skin will have a healthy color and you will feel warm to the touch. Good blood circulation helps improve brain function and keeps your mind sharp and focused. Be prepared to remove your shoes and socks and access your feet.

The Bloomingdale Park District Museum is Bloomingdale's oldest building and home to five to seven exhibits and 1,000+ visitors per year.

Built in 1849 as the First Baptist Church of Christ, visitors today can view the original 1849 ceiling, knotty pine floor, and some of the original glass pane windows. Bloomingdale Academy took over the property in 1860. In 1892, the building became the center of town serving as both the Township Office and the Town Hall. A jail cell was installed in 1910.

The historic building was sold to the Bloomingdale Park District in 1965 for the purchase price of \$1. The Park District soon began to offer programming to residents at this location. Fine arts and cultural exhibits begin to emerge in the early 80s. A major restoration occurred in 1998 and included an art gallery addition. Additionally, much of the original architecture was restored and refurbished.

The Bloomingdale Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bloomingdale Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors registering for the above listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs. Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. Please read this form carefully and be aware that in signing up and participating in the programs listed above, you will be expressly assuming the risk and liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these programs (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against the Bloomingdale Park District, including its officials, agents, volunteers and employees.
